

## Prince of Peace Summer Choral Theatre 2015

Come join us for a week of fun, singing, acting, and games! We will have a rehearsal every day, broken up into three sections. Between each section, we'll take a break and have a snack, play some games, and, weather permitting, enjoy the lovely outdoors. Each rehearsal will include singing, staging, basic choreography, and social activities. Performances will be Saturday, June 20, at 11:00, and will conclude our week's activities. Invite family and friends to our closing performances!

### *100% Chance of Rain*- (rising) Grades 1-4, 9:30-12:00, Monday-Friday

The story of Noah and the Ark comes alive in a jazzy version of this familiar Bible story. Young performers will enjoy the fun music styles in this simply-staged performance. This production will have your young singer excited to be on stage!

### **Rescue in the Night**- (rising) Grades 5-8, 1:30-4:30, Monday-Friday

This funny retelling of Daniel in the Lion's Den will have you laughing the entire time! The dramatic music, at times lively and other times moving, makes the story of Daniel an exciting encounter. With lots of kings, heralds, prophets, and lions, the final production will be a fun performance for young participants!
